### 8. RECOMMENDATION

The Directors are pleased to recommend the retiring Directors, details of whom are set out in Appendix II of this circular, for re-election at the AGM. The Directors believe that the Repurchase Proposal, the general mandate for Directors to issue new Shares and the extension of the general mandate to issue Shares are all in the best interests of the Company and its shareholders. Accordingly, the Directors recommend that all shareholders of the Company should vote in favour of the resolutions to be proposed at the AGM.

By Order of the Board  
**LI Suiming**  
*Chairman*

*This appendix serves as an explanatory statement, as required by the Share Repurchase Rules, to provide requisite information to you for your consideration of the Repurchase Proposal.*

## **1. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 506,853,952 Shares.

Subject to the passing of the Repurchase Resolution and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Proposal to repurchase a maximum of 50,685,395 Shares representing 10% of the issued share capital of the Company as at the Latest Practicable Date.

## **2. REASONS FOR REPURCHASE**

The Directors believe that the Repurchase Proposal is in the best interests of the Company and its shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value per Share and/or earnings per Share of the Company and will only be made when the Directors believe that such repurchase will benefit the Company and its shareholders.

## **3. FUNDING OF REPURCHASE**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and articles of association of the Company and the applicable laws of the Cayman Islands. The law of Cayman Islands provides that any repurchase by the Company may be made out of the profits of the Company or out of a fresh issue of shares made for the purpose of the repurchase or, if authorized by its Articles of Association and subject to the Companies Law, out of capital and, in case of any premium payable on the repurchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company, or if authorized by its Articles of Association and subject to the Companies Law, out of capital.

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 March 2007 in the event that the Repurchase Proposal was to be exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Proposal to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

**4. SHARE PRICES**

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date are as follows:

| July 2007 (up to the Latest Practicable Date) | 1.420                         | 1.020                        |

**5. UNDERTAKING**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Proposal and in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates, have any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Proposal if such is approved by the shareholders of the Company.

No connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, or have undertaken not to do so, in the event that the Repurchase Proposal is approved by the shareholders of the Company.

**6. TAKEOVERS CODE**

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Proposal, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a shareholder or group of shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, South Hong Investment Limited held 262,442,930 Shares, representing approximately 51.78% of the issued share capital of the Company. In the event that the Repurchase Proposal is exercised in full (if its shareholdings in the Company and the capital structure of the Company otherwise remained the same), its percentage shareholdings in the Company will be increased to approximately 57.53%. The Directors believe that such an increase would not give rise to an obligation to make a mandatory offer under the Takeover Code. In this event that the power to repurchase Shares pursuant to Repurchase Proposal is exercised in full, the number of Shares held by the public would not fall below 25 per cent of the total issued Shares.

**7. SHARE REPURCHASE MADE BY THE COMPANY**

The Company had not repurchased any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
